

# Mukurtu CMS Projects

Digital Stewardship Curriculum

# Mukurtu Projects

- One manageable project
  - Work on during trainings at at your home institution
- To be completed in under a year
- Flexible criteria

# Project Worksheets - Part 1

- General idea for the project
- Audiences
- Scope of the project
- Outcomes of the project
- Additional community input
  - Knowledge, stories, information

# Project Worksheets - Part 2

- Communities and Cultural Protocols for your project
- Digital files - Do they exist already? Do you need to:
  - Organize?
  - Collect
  - Digitize?

# Project Worksheets - Part 2

- Who will be doing the work of the project?
  - Management, digital materials, cultural knowledge, metadata, uploading to Mukurtu
- What are your main steps?
- Create a timeline for yourself

# Work Time

---

- Take notes on your worksheet
- Look at other examples online
- Start to use the questions to draft a project plan
