

Mukurtu CMS: Three Cs Planning Activity Worksheet

Communities, Cultural Protocols, and Categories

Digital Stewardship Curriculum

This activity worksheet is a simple document to begin planning the “Three Cs” for a Mukurtu CMS site - the Communities, Cultural Protocols, and Categories that fit your community, collections, and materials best. Identify some items in your own collections that you might put into your Mukurtu site. Then, identify some possible Communities, Cultural Protocols, and Categories. Repeat as needed, and use this activity worksheet as a basis for other discussions and decisions as you develop your site.
