

Mukurtu CMS User Roles Planning Activity Worksheet

Digital Stewardship Curriculum

For the questions below, identify who should have each role.

- Refer to the *Mukurtu User Roles and Responsibilities* handout as needed.
 - You can list specific people (Eg: Jane Smith), positions (eg: Head Archivist), or groups (eg: elders, members of Culture Committee, tribal citizens).
 - You can repeat this activity for as many cultural protocols as you need. You can also do a similar activity for communities and language communities, but roles in cultural protocols are the most important.
-

Some users are responsible for site management.

In your Mukurtu site who should be a...

- **Mukurtu Administrator** - create and approve new user accounts, create new communities, manage categories, manage site look and feel.

 - **Curator** - create and manage site-wide collections.
-

All users can have roles within each cultural protocol, to give them additional access and responsibilities.

Choose ONE cultural protocol in your Mukurtu site: _____

In this cultural protocol, who should be a...

- **Protocol Member** - view all digital heritage items within **this** cultural protocol.

- **Contributor** - create digital heritage items within **this** cultural protocol, edit their own digital heritage items.

- **Protocol Steward** - create and edit all digital heritage items within **this** cultural protocol, add and manage users within **this** Cultural Protocol.
